

The 2016 Twilight Garden Party will be held Tuesday, June 7th, from 6 – 8:30 pm at the historic William Hickling Prescott House, 55 Beacon Street, the Boston home of the National Society of Colonial Dames of America. This house was designed by Asher Benjamin, a well-known architect of the early republic, and built for James Colburn in 1808. After several owners, one of which was the author William Hickling Prescott, the Massachusetts Society purchased it in 1944 as their headquarters. Upstairs the museum floor contains Prescott's study, looking much as it did when he used it every day, and a Federal period bedroom. The building is a National Historic Landmark.

Sponsorship opportunities for this event are now actively solicited. Please print and complete and return this form along with your check no later than March 31, 2016 to meet the invitation-printing deadline.
